Niloofar Razi Howe

National and Cyber Security

Friday, December 4, 2020

Niloofar Razi Howe has been an investor, executive and entrepreneur in the technology industry for the past 25 years, with a focus on national security and cybersecurity for the past 15 years. Most

recently, Ms. Howe served as Chief Strategy Officer and SVP of Strategy and Operations at RSA, a global cybersecurity company where she led corporate strategy, corporate development and planning, business development, global program management, business operations, security operations and federal business development. Prior to RSA, Ms. Howe served as the Chief Strategy Officer of Endgame, Inc., a leading enterprise software security company, where she was responsible for marketing, product management, corporate development and planning. Prior to her operating roles, Ms. Howe spent twelve years leading deal teams in private equity and venture capital; first as a Principal at Zone Ventures, an early-stage venture capital firm in Los Angeles, and then as Managing Director at Paladin Capital Group, a Washington D.C. based private equity fund focused on investing in next generation security companies. Ms. Howe started her professional career as a lawyer with O'Melveny & Myers and as a consultant with McKinsey & Co.

Ms. Howe speaks regularly on national security, cybersecurity, technology, innovation, corporate governance and corporate culture. She also created a TEDx talk entitled "The Gift of Exile" about the long-term opportunities that can arise from the most difficult challenges encountered in childhood for both the individuals who suffer the adversity and the communities that can accept and integrate such individuals.

Ms. Howe is a Senior Operating Partner at Energy Impact Partners, a VC fund investing in companies shaping the energy landscape of the future. She is an Advisor to the US Government, Department of Defense and serves on the Board of Directors of Morgan Stanley Private Bank, NA and Morgan Stanley Bank, NA, Pondurance (MDR) as Chair, Recorded Future, (Threat Intelligence), Swimlane (SOAR), on the Board of Advisors of Dragos (Industrial Cyber Security), Enveil, (Data Security), Picnic Threat (Insider Threat). She is a life member at the Council on Foreign Relations and a Senior Fellow, Cybersecurity Initiative at New America, a nonprofit, nonpartisan think tank. Her non-profit work includes serving on the board of IREX, an international non-profit organization focused on promoting lasting change, as Chair and The Smithsonian National Museum of
