FORUM CLUB SPEAKER SELECTION

The Program Committee's goal is to bring the best speakers to the Forum Club. The criteria for the speaker selection requires that each speaker have a reputation as an outstanding well-respected leader and role model in his/her area of expertise.

To offer program variety, speakers are selected from the government, corporate, financial, international, media, health care, technology, and other fields.

This year's Program Committee, chaired by President-Elect Beth Wessel, has begun its efforts to secure speakers for next season.

While the Forum Club provides for transportation and hotel expenses, it does not offer its speakers honoraria. The Club encourages all members to assist in securing potential speakers with whom they have contact. If you have a suggestion of a potential speaker, please contact the Forum Club office or Program Committee Chair, Beth Wessel.
