GENTRY AWARDS

April 10, 2025

William S. Gentry, Marco Island Bureau Chief for the Naples Daily News, and other community leaders organized a club to present prominent and well-informed speakers to the growing number of retired executives in the Naples area. The Forum Club of Southwest Florida began in 1985.

In 1988, Bill Gentry again had the foresight to invite students from each area high school to the luncheon meetings as guests of a sponsoring Club member.

In 1992, as a tribute to the accomplishments of the founder of the Club and its first Executive Director after his death, the Board of Directors established the William S. Gentry Student Scholarship Award that is presented each year to one senior from each Collier County high school. Three years ago, the Forum Club board of directors agreed to add a scholarship for one home schooled senior in Collier County. This year the Club's scholarship fund and the Gentry Award were combined into the Forum Club Members' Gentry Award. Students are selected by the Club's Education Committee.

Thank you to the members who supported the Gentry Scholarship fund.
